## Feature Highlights

### CAPACITY

Clean more clothes in fewer loads with a washer that offers up to 40% greater capacity and fits twice as much laundry than other washers

### WIFI CONNECT

Check the washer progress from your smartphone with an app that lets you monitor cycles and settings download custom specialty cycles and receive alerts when clothes haven't been removed

### SANITISE WITH OXI

Remove 99.9% of bacteria with a dedicated cycle that uses an oxi additive to boost your detergent's cleaning power while keeping fabrics looking and feeling their best

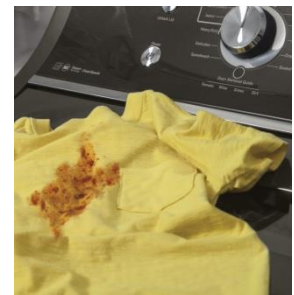

### SMARTDISPENSE™ TECHNOLOGY

The washer can hold about a two-month supply of detergent and fabric softener and automatically dispense the right amount for each load

### LED WASHER BASKET LIGHT & DEEP-TUB ACCESS

Find every last sock with a bright LED light that effectively lights the wash basket and a redesigned opening that allows easy access to the bottom of the tub

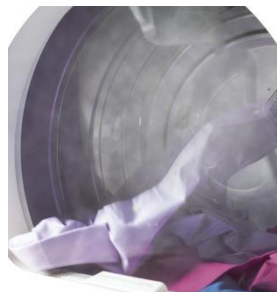

### STAIN REMOVAL GUIDE

Assists removing tough stains with preprogrammed settings that modify your cycle to treat the four most common stains

### STEAM SELECT

To help cater to your laundry needs this feature allows you to select a load size from 1-13 garments to customise your steam refresh or steam Dewrinkle cycle instead of using the presets

### STEAM REFRESH

Rejuvenate lightly worn clothes by getting rid of wrinkles and odours with this convenient setting using the power of steam

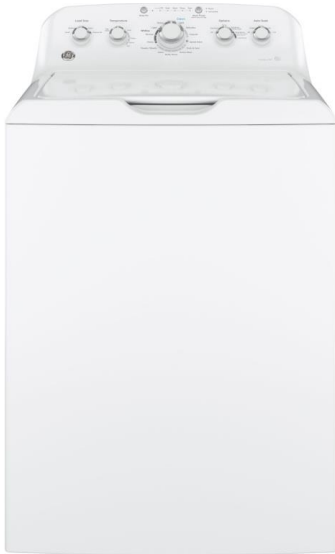

### MY CYCLE SETTINGS

Dry clothes with the setting you prefer on any cycle rather than the defaults and stores your settings for later use
